Datt Capital Absolute Return Fund

Datt Capital, a Melbourne based Alternative Asset Manager, announces the launch of a new fund, Datt Capital Absolute Return Fund. The Fund is a concentrated multi-asset, multi-strategy fund utilising a dynamic, integrated asset allocation approach. The Fund has been seeded by entities associated with the Datt Family Office, along with other sophisticated investors. The Fund will commence trading on the 1st of August 2018 and will be available to wholesale client investors.

Principal, Emanuel Datt commented "We launched this Fund to fill a gap in the Australian market for a truly independent multi-asset, multi-strategy fund; with significant manager co-investment. We believe diversification across asset classes and strategies within a fund's portfolio leads to higher quality, more robust returns. We believe the Australian market provides higher than average returns relative to other global markets, and as such we focus solely on Australian-domiciled investments."

The team at Datt Capital have extensive experience and networks across multiple industries globally, providing informational advantages and excellent access to deal flow. Coupled with strong technical, soft and cultural skills; the investment team is deliberately kept small to instill a performance and accountability driven team culture.
