

How to Upload an Insights Article

1. Login to www.fundmonitors.com (email contact@fundmonitors.com if you'd like for us to provide you with your login details)
2. Click 'Manager Login' to access your company's dashboard

3. You'll then see the following. Download our standard insights template as shown in the image below.

4. Place your content into the file and save it as a PDF, ensuring you're happy with the formatting and that there are no links to your website.
5. Go back to the company dashboard and click 'Insights'

6. Click 'Add New Article'

7. Fill out the fields shown in the image below and click 'Add Item'
